## Description:

Incredible and Luxury Vila with a modern design located on the mountains of Tramuntana in Valldemossa. The picturesque village of Valldemossa. Well known for its monastery where Chopin and Georges Sand stayed in 1838. It's one of the most beautiful villages on the Island. Surrounded by spectacular mountains and incredible views of the Serra de Tramuntana mountains. It's in a perfect spot, because from here you have easy access to all the island. There are many restaurants with all different prices. You can find from good value money: Italian Vesubio... to the exclusive Valldemossa Hotel. There is also an excellent seafood restaurant in the Port. There is a small well stocked supermarket, excellent Bakeries, Cake shops, Banks, Pharmacy and other stores that sell clothes, souvenirs and gifts. On Sundays there is a Market. The romantic old Valldemossa Monastery, the Palace of King Sancho, Michael Douglas's Costa Nord, and the new Coll Bardolet Cultural Center, provide interesting excursions and art exhibition, along with Miramar and Son Marroig 4/5 kms. away. A very interesting place to visit: "La Granja". It's a very recommend visit that shows Mallorcan old life. With our History, Tradition and

Gastronomy of Mallorca. From only fifteen minutes drive to Esporlas. At Soller you can take the 'Old train' (made of wood)....down to Palma. And also from Sóller you can catch the Tram and will take you to the Port. There are also boat trips to the incredible place of Sa Calobra gorge (Torrente de Pareis) and along the coast to Deià/Valldemossa. Deia years ago was the home of the poet Robert Graves. And you will find ten minutes away from here. With many restaurants around. And the famous La Residencia Hotel.... and with a bohemian nightlife. There are many classical and jazz concerts in both villages, including the wonderful Sunset Concerts in Son Marroig during the Summer months, and the now famous Chopin Piano Festival during August, held in the Cloisters of the Monastery. For those guests interested in Nature..... and looking forward for some relax and some peace .....away from big cities.....A garden with birds and wildlife. Hiking in our wonderful mountains is a pleasure, also 'rock climbing' excursions just down the road. Deia is one of the jewels of the Mediterranean, one of those places that the visitor will never forget - the colours, the smells and the sounds. Deia is renowned for its artists, music.
